# Ansonia Credit Data

is approved by Euler Hermes as credit source for customers operating under discretionary credit limit (DCL) policies.

Depending on your policy structure, Euler's customers can use 125% of the high credit limit on the report OR Ansonia's suggested credit limit on the report subject to your maximum permitted limit in either case.

## EXAMPLES:

1

Your DCL allows:	<b>\$25k</b>
Ansonia's suggested credit limit:	<b>\$40k</b>
Customer approved for:	<b>\$25k</b>

2

Your DCL allows:	<b>\$40k</b>
Ansonia's suggested credit limit:	<b>\$25k</b>
Customer approved for:	<b>\$25k</b>

Contact your Euler Hermes agent for more details as to how to use Ansonia's credit reports in combination with your discretionary credit limit.
