WATCH THE VIDEO

The screenshot shows the KnowledgeCity Learning Solutions website. The 'Course Library' section is active, displaying a list of courses under the 'Business' category. The 'EMOTIONAL INTELLIGENCE' course is highlighted with an orange arrow pointing to it. The course description for Emotional Intelligence reads: 'Emotional intelligence is the ability to identify, assess, and manage your own emotions and those of others. Using emotional intelligence effectively can make you a better leader, a better manager, and give you an advantage in your professional life. This emotional intelligence course will help you evaluate and improve your emotional intelligence skills.'

The screenshot shows the 'Lessons' page for the 'Problem Solving for Leaders' course. The 'Chapter 1: Defining the Problem' section is highlighted with an orange arrow. The table of contents for Chapter 1 is as follows:

Lesson	Price
Defining the Problem	0.49
Characteristics of a Problem	1.00
Origin of the Problem	1.17
Perceptions of the Problem	0.90
Problem Severity	1.13
What Conflicts in the Problem	0.42
Defining the Problem: Steps You Can Use Now	0.90

The screenshot shows a video player interface for the 'Problem Solving for Leaders' course. The video title is 'Problem Solving for Leaders' and the subtitle is 'Strengthen your leadership skills with advanced problem solving methods'. The video content shows a woman in a business suit speaking. The video player includes a progress bar and a play button. The course description below the video reads: 'Description: As a team leader, the ability to guide your team towards your most important skill to maintain. Because miscommunications often lead to difficulties in the workplace. As a result, r...

Business Courses

Management
Leadership
Communication Skills

My Learning Page

- Quick access to assigned courses
- Users can see their progress
- Print their own certificate (if allowed by manager)

The screenshot displays the 'My Learning Page' interface. On the left, under 'My Courses', there are two filters: 'Assigned courses' with a count of 10, and 'All My Courses' with a count of 10. Below these is a button labeled 'GET RECOMMENDED COURSES'. The main area is titled 'Progress Summary' and shows 'Total Courses: 10', 'Completed: 0', 'In Progress: 0', and 'Finished Viewing: 0'. Below this is the heading 'Track and manage your progress' and a grid of 12 course cards. Each card shows a 0% progress indicator, a course title, and status for 'Started' and 'Finished' (both marked as 'not started' or 'not finished'). A 'Go To Course' link is present on each card. The courses shown are: Administrative Assistant, Back Safety, Financial Accounting, Hand and Power Tool Safety, Introduction to Accounting, Managerial Accounting, Project Management, QuickBooks 2010 Advanced, QuickBooks 2010 Introduction, and Time Management.

Training Needs Analysis

- Virtual interview to find out about user's training needs
- Let the TNA do the work of choosing courses for each user
