### FOR IMMEDIATE RELEASE

#### **Relevé Studios in Northridge, California responds to Stay-at-Home Order with Online Dance, Voice, and Acting Classes for all... FOR FREE!**

Relevé Studios owner, Jodi Shilling, and her team of 22 instructors responded rapidly to the news of a Stay-at-Home order this week by pivoting and taking their entire roster of classes online.

- Los Angeles residents (children and adults) can gain access to the classes through <https://www.releve-studios.teachable.com> for FREE to those who cannot afford it or “Pay What You Can” to those willing to help defer costs.
- We want to help parents who need activities to do with their children now that they suddenly find themselves stuck with homeschooling
- In times of great stress it is proven that physical activity and performing arts bring calmness, clarity, and wellness, and we want to do our part to help our community
- Our small business recently relocated to a brand new facility 4 weeks ago. While our future is uncertain, we are certain we can still do some good. Relevé is a dance term that means to “lift up” and that is what we intend to do, no matter our current Circumstances.

- Testimonial and Quote: Jodi and staff - We absolutely love the teachable site and the girls loved the ability to check out other classes. Cora did the entire salsa class. They did their mini-jazz team class for 50 minutes. Also watched Laurie's introduction to Hula class and the hula video on YouTube. Tomorrow they are doing their hip-hop class with AJ. Please make sure to continue to charge our credit card like normal and let us know if we can help out in any way. Stay safe,
