CASE STUDY

Dragonfly Golf Club

Fresno, California

In less than four years, Teesnap has helped Dragonfly grow their customer base from 2,724 to 15,997, an increase of 487%. During this time, the average number of new customers per month has been 309. Online sales for Black Friday went from \$256 in 2016 to \$36,352 in 2017 using the exact same promotion, a 147x increase. The difference? They implemented Teesnap MMS.

"With just our holiday promotions alone, we saw a 179% revenue increase over the previous year. The programs and traffic generated with our course data and digital marketing efforts have been phenomenal."
