Loving Energy™ The Feel Good Tonic

Daily Herbal Adrenal Restorative Tonic

Many of us have an unhealthy response to stressful events in our everyday life, causing our adrenals to be in a constant 'fight or flight' state. This inhibits digestive and reproductive functions within the body and has a negative impact on our overall health. The goal is to live in a state of being that promotes a 'rest and digest' response, calming the nerves to preserve or enhance adrenal health.

Product Summary: Loving Energy™ is a restorative and calming Traditional Chinese Kidney Yin Tonic used for relieving stress and exhaustion while supporting the lungs. Loving Energy™ is especially effective for parents, teachers, artists, healers, caretakers, and those who meditate regularly as it restores the vital creative energy lost when giving rather than receiving.

High histamines cause "internal heat", compulsive, racing thoughts and they can interrupt neurotransmitters and increase anxiety. Histamine levels are impacted by adrenal, immune and liver function. A balanced histamine response goes hand in hand with healthy adrenal function. **Loving Energy™** contains medicinal mushrooms and herbs that safely and effectively reduce histamine levels, promoting healthy adrenal function and immune response.

Ingredients: Ingredients: Solomon Seal Root, Eleuthero Root, Reishi Mushroom, Licorice Root, Polygonatum Root, Schizandra Berry, deionized water and gluten-free grain alcohol (20% by volume.)

Clinical Use: Patients have reported increased energy, clearer thinking, high histamine relief, and an increase in balanced moods and mental clarity with regular use of **Loving Energy™**.

"Before Loving Energy, I was on caregiver burnout – I felt tired, low energy and lackluster. After taking Loving Energy for 1 1/2 weeks I feel like a different person. I am happy, rested and full of energy."

Beverly Zabawa

Intake: Children and Adults - Start with 1 - 3 droppers (26 - 78 drops) three to five times per day or as desired. Regular use produces a more powerful effect. If pregnant or nursing, consult a health care professional.
