Everyone's Sheriff

“The people of Broward County deserve a Sheriff who focuses on service to the grass roots of each community. Broward is a tapestry of cultures, religions, languages, incomes, orientations and political views. The county includes individuals and small businesses with widely different interests. As your Sheriff, I will serve and protect them all.”

- Santiago Vazquez

We Need Better Sheriffs

“ Actions speak louder than words. Other candidates running for Sheriff ‘talk’ well but have failed and continue to fail the people of Broward through their actions. Broward, frankly, deserves better. ”

- *Santiago Vazquez*

Never Again

1. Scott Israel is a disgraced sheriff who has failed to protect the people of Broward County. Scott Israel is the only sheriff with two mass shootings of national significance.
2. Scott Israel failed and was given a vote of no confidence by his own employees.
3. Broward County lost its accreditation because of Scott Israel's failures, yet he refuses to accept responsibility for this.
4. Scott Israel was REMOVED from office for negligence and is trying to get his job back.

Already Failed

1. Interim Sheriff Gregory Tony has a past ARREST HISTORY and lied on his Coral Springs Police Department application stating that he was never arrested. (Untruthful)
2. With Tony at the helm, Broward County jails suffered two questionable homicide investigations and a woman who gave BIRTH in her cell unassisted. (Non-Accountability)
3. Tony's corrections department consist of over 80 percent Blacks and Latinos deputies - grossly disproportionate to those communities sizes in Broward County. (Discrimination)
4. Despite his DISMAL RECORD, Gregory Tony has the nerve to ask the people of Broward to vote for him.
