There are so many amazing bourbons and distilleries in Kentucky, so for us to be commended among the greats is such an honor. About Kentucky Peerless Distilling Co.

The Peerless family’s very first bourbon went into a barrel in 1889. They have since revived the craft in their own state-of-the-art distillery in the Bourbon District, where they use the finest ingredients. The Peerless family believes that patience builds character and fine Bourbon and Rye can never be rushed. All under one roof, the select Kentucky Peerless grains are milled, cooked, fermented, double-distilled and barreled as Bourbon and Rye.
