# Freedom

For sensitive skin  
conditions

Made  
in the UK

Soft breathable and seamless skinwear  
For eczema and sensitive skin conditions  
For children and adults

**Skinnies**<sup>™</sup>  
Soft, seamless skinwear

Freedom for sensitive skin conditions with a unique, seamless design to ensure total comfort.

Skinnies eczema clothing is soft, breathable and seamless. Skinnies are easy to use with both wet and dry wrapping and proven to help manage chronic skin conditions such as eczema, psoriasis and epidermolysis bullosa.

**BENEFITS**

Skinnies products offer the following features

**Seamless design**

Each garment is produced individually in one piece using our cutting edge technology, which creates a 360 degree stretch. There is no sewing together and no seams, making Skinnies extremely strong, especially in those commonly weak areas such as the armpit and groin. Seamfree Technology™ removes stress points, providing a friction free fit, in addition we know some people use the seams as 'itch points', **this is not possible with Skinnies** making them a wonderfully soft and comfortable garment that is easy to wear.

**Breathable**

By utilising Skinnies Seamfree Technology™, we have designed our garments to reduce friction through everyday movement of our bodies, which improves temperature regulation, reducing heat and sweating that can make itching worse and further irritate the skin.

**Washable**

Rigorously tested to retain elasticity and function for up to 50 washes dramatically reducing the cost per wear. Skinnies eczema garments are so versatile that they can be used with any brand of emollient for easy wet wrapping.

**Skinnies are more cost effective than other competitor products.**

**Range of sizes and colours**

Skinnies are the only garments available on prescription to offer a range of different colours. **They don't look 'medical'** so children keep them on, meaning the creams stay on and the skin recovers quicker, plus with a wide, dropped neck line, Skinnies eczema garments are more discreet, comfortable and easy to wear.

Up to **40%** more washes\*

\* Available in white only

## Colours available

Skinnies clothing is the only prescription garment that's available in different colours.

## Therapeutic socks - with Padded Sole Technology

Our extra thick sole, developed in line with latest research, offers support for sufferers of eczema, diabetes, rheumatoid arthritis and vascular problems.

Adult's sizes:  
small, medium,  
large, extra large

Children's sizes:  
small, medium, large

Colours available:

## Skinnies unique yarns

Skinnies clothing is made from a combination of 3% elastine, 11% nylon and 86% viscose.

Skinnies yarn is uniquely combined so as to keep only the natural viscose element next to the skin to maximise its moisture-retention properties.
