**FOR IMMEDIATE RELEASE**

*G.E.T. Enterprises, LLC Earns Tabletop Supplier of the Year 2019 Award from Allied Buying Corporation*

October 29, 2019, Chicago, IL, United States - [G.E.T. Enterprises, LLC](#) received the Tabletop Supplier of the Year 2019 award from [Allied Buying Corporation](#) (ABC), the largest buying group in the foodservice industry, less than a year after installing new leadership at the company.

“We are so honored to receive this recognition. It’s a testament to how much work has gone in to creating a new G.E.T., to turning around the whole operation to better serve our customers. It was completely unexpected and humbling. Our sales team has done an especially good job, and they’re backed by everyone at the company working behind the scenes. Everybody at G.E.T. has worked hard to support our mission of ‘Designed to Serve’ and shares ownership in this award,” says Jim White, CEO of Foodware Group, the parent company of G.E.T. Enterprises, LLC.

“G.E.T. has worked hard to strengthen relationships with ABC dealers across the country and this was recognized as they scored among the top suppliers in our annual member survey, and in a year where the industry struggled with growth in the tabletop category, G.E.T. grew double digits with ABC,” Tom Venetis, Executive Director of ABC, said.

The winner of the ABC Tabletop Supplier of the Year award must earn a top ranking from the annual ABC member survey in addition to showing growth and financial returns improvements over the prior year. By marrying dealer feedback with sales data, the Tabletop Supplier of the Year award winner represents a comprehensive overview of partnership and growth.

**About G.E.T. Enterprises, LLC**

For more than three decades, Houston-based G.E.T. Enterprises, LLC has been a leading supplier of fashion-forward dinnerware, drinkware and displayware designed with operational durability for the foodservice sector.
