For the Love of Music

AiRadio DUO

A Retro-Futuristic Style Smart Radio

Signature New England Sound and Tactile Comfort Bamboo Cabinet Provides Natural & Rich Sound for HiFi Music Streaming

WiFi Audio Receiver + Voice Assistant + HiFi Audio

- **Alexa Built-in:** Utilizes Amazon Alexa's voice assistant AI technology.
- **New England Sound :** Rich, natural, and clear sound takes your listening experience to the next level.
- **Multi-Room Streaming:** Instantly connect multi-units in different rooms with a smart app.
- **Smart App:** Voiz smartphone app makes WiFi setup and multi-room streaming easy.
- **Eco-Friendly:** AiRadio uses sustainable natural bamboo for the cabinet instead of plastic.
- **Tactile Comfort:** Familiar style with smooth surface gives you a comfortable feeling
- **Bluetooth Input:** Connect to Bluetooth devices with EDR (Enhanced Data Rate).
- **Auxiliary Input:** You can play the analog audio source from AUX jack.

Quality Sound and Style

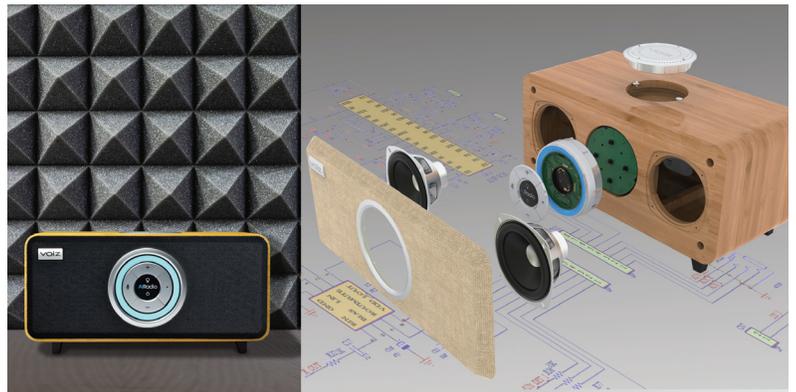

Superior performance and stylish design connected by excellent craftsmanship.

Signature New England Sound

Tuning by acclaimed veteran sound engineer, Bob Hazelwood, AiRadio's custom sound delivers the same Hi-Fi reproduction that made the New England Sound legendary.

Wide Soundstage

AiRadio reproduces with high-definition sound and a wide-soundstage that makes you feel like you're listening to separate speakers.

Superior Design, Quality Materials, and Excellence in Craftsmanship

AiRadio's natural bamboo cabinet is hand finished by skilled craftsman. It will certainly add that old familiar feeling to your room and also it will be a focal point of your interior.

Smart Multi-room Streaming Solution

Voiz app can let you set up multi-room streaming at your fingertips. Continue to listening to music or podcast anywhere in your home.

Voiz Smartphone App

- Play Amazon Music, Tidal, Spotify, TuneIn, iHeart Radio and more directly from a smartphone
- One touch multi-room streaming setup
