

Michael Bennett Homes Sets New Record with West Aspen Luxury Home Sale: \$60MM

Aspen, Co., October 5, 2023 — Aspen has a new record property sale: [Michael Bennett Homes](#), synonymous with blending architectural artistry with impeccable craftsmanship, has marked its indelible print in the opulent terrains of West Aspen. The magnificent 10,000 sq ft home, nestled on a lavish 5.5-acre estate within the sought-after and arguably the finest location and private enclave of 12 estate homes in Aspen, Double Bar X Ranch. The Michael Bennett designed and built home has become the highest selling home in West Aspen and the fourth highest-priced home ever sold in Aspen, showcasing a spectacular design, outstanding floor plan, and sophisticated finishes, enveloped in a rare private setting.

With its unique blend of visionary design and meticulous attention to detail, Michael Bennett Homes, a sister company of Chicago-based [Airoom Architects Builders & Remodelers](#), meticulously designed and built the expansive residence, ensuring each contour and corner transcends ordinary design principles and elevates the standards of luxury living.

CEO of Michael Bennett Homes, Michael Klein, stated, "It's very nice to have our work well received and we look forward to releasing our new unique custom home project in Aspen very soon." The home sale was an off-market deal, orchestrated by [Mandy Welgos](#) of Aspen Sotheby's International Realty "The home was a spectacular design with an outstanding floor plan and sophisticated finishes in a rare private setting. Kudos to the Chicago based Michael Bennett Homes design & build team," praised Mandy Welgos.

As Michael Bennett Homes continues to etch its name as a national forerunner in the realm of luxurious living, this sale is not just a record but a bold statement of its capability to envision and manifest structures that are in a league of their own.
