

Epomaker Launched Group Buy Event for the Newly Created - Temple Keycap Set

In addition to keyboards, Epomaker is also dedicated to bringing the ultimate tactile and visual experience to keyboard enthusiasts in keycaps. The Newly created Epomaker Temple Keycap Set is the perfect combination for both

Encompassing an intriguing theme inspired by ancient desert civilizations, Epomaker is thrilled to unveil the captivating Epomaker Temple Keycaps Set. This collection combines artistry with utility, catering to connoisseurs and newcomers alike.

A Journey Through Time

Step into the past with the Epomaker Temple Keycaps Set, a tribute to the enigmatic aura of ancient desert cultures. These keycaps serve as artifacts of time, capturing the essence of ages gone by. Each key tells a story, inviting users to delve into history with every keystroke. Immersing itself in the essence of an ancient desert civilization, Epomaker meticulously sculpts the character designs and weaves intricate patterns into each keycap. The classic black and gold color scheme further elevates the theme, seamlessly merging ancient desert civilization with modern fashion.

Elevate Every Tap with Elegance

Crafted in the esteemed Cherry profile, these keycaps provide an exceptional tactile experience, blending comfort and functionality. Constructed from top-tier PBT material, they guarantee resilience against wear and tear, ensuring a lasting imprint even after extended use. The beauty of the ancient desert civilizations is immortalized through meticulous dye-sublimation techniques. The intricate design radiates vibrancy, enhanced by the dye-sublimation process that infuses color deep within the keycaps. This ensures a long-lasting visual masterpiece that endures the test of time.

Perfect Fit for Every Setup

The Temple Keycaps Set is designed to harmoniously complement a variety of mechanical keyboards. Compatible with Cherry MX switches and their clones, it accommodates layouts such as 60%, 65%, 75%, 80%, TKL, 96%, 1800-compact, and full-size keyboards, a testament to its compatibility. Furthermore, catering to both ANSI and ISO-UK layouts, this set empowers users to make a statement that aligns flawlessly with the user's distinctive typing style.

About us:

Epomaker is short for Epoch of Makers. We are committed to providing feature-packed keyboards with affordable pricing that ships worldwide. Our goals for our keyboards are three things: customizability, affordability, and high standards. We are a team composed of gamers, software engineers, product designers, and mechanical keyboard enthusiasts. We were inspired to create our own line of keyboards to share with the world. We wanted to make mechanical keyboards accessible to everyone. Our company is heavily dedicated to our community-without their feedback and suggestions, this keyboard would not have been a reality.
