Lifematters Expands Service to Baltimore, Maryland

New Location Offers Home Care, Care Management and Social Companionship Services to Baltimore City and Baltimore County

Silver Spring, MD, July 30, 2018 — Lifematters announced today that it has opened a new office in Towson, MD to recruit professional caregivers and nurses and to provide home care services in the Baltimore region to seniors and those looking to age well in their homes. With over 13 years of experience providing the highest quality care to clients in the Washington, DC area, Lifematters brings a wealth of expertise to the area and will offer Certified Nursing Assistants, highly-credentialed Care Managers and their social companionship program called Friendly Visitors.

“We’re excited to be able to offer our services in the Baltimore community,” says Silvana Dill, Executive Director of Business Development at Lifematters. “We look forward to being an integral part of the community and to partnering with other organizations such as hospitals, retirement communities and home health agencies to deliver quality care to individuals so that they can remain independent in their homes.”

About Lifematters

Founded in 2004, Lifematters is the largest employer-based home care and care management company in the Washington, D.C., metropolitan area. Lifematters is the first choice in home care for individuals, families, doctors, nurses, social workers, hospitals, and independent- and assisted-living facilities, and has garnered recognition in these areas from local and national award programs. The company works with clients to create customized care plans and employs highly trained, skilled caregivers and care managers. The full range of in-home services includes care management, counseling, nutrition counseling, medication management, social companionship, wound care and care for neurological disorders. Lifematters associates also assist clients with bathing and grooming, personal safety and security services, transportation and errands.
