Huntsville, AL. Based Company Wins \$28.5 Million FEMA Contract GSH of Alabama, LLC Will Support Hurricane Harvey Relief Effort

GSH of Alabama, LLC, a Huntsville-based Disaster Relief Construction Contractor, announces a new contract with FEMA and the US Department of Homeland Security to build state-of-the-art modular homes supporting Hurricane Harvey relief efforts. This contract has a value of \$28,516,300 and will be fully completed by March of 2018.

“GSH is proud to support FEMA’s mission to provide relief to all those affected by Hurricane Harvey,” said Barbara J. Stokes, Chief Executive Officer. “We are committed to providing the very best in value and quality to our customers.” Chief Operations Officer Scott B. Stokes added “GSH’s homes are state of the art, and include innovative and unique safety features designed and engineered right here in Huntsville. Every new home produced comes standard with an automatic fire suppression system.”

Founded in 2008, Green Structure Homes of Alabama, LLC is a Disaster Relief Contractor based in Huntsville, AL. GSH of Alabama, LLC offers a complete range of solutions to government and private sector customers, utilizing proprietary state-of-the-art design, engineering, and manufacturing techniques. GSH brings proven leadership to the industry. Barbara Stokes, CEO, and Scott Stokes, COO, along with senior management have over thirty years of combined experience in Disaster Relief.
