- A+ Accredited BBB

about

**Altieri Insurance Consultants** *has been representing property owners since 1988. Corporately based in Tampa, for the better part of the last three decades, our licensed adjusters have been a trusted partner to residential and commercial property insurance policyholders as their public insurance adjuster and loss consultant.*

*Thousands of property owners have made the decision to partner with Altieri Insurance Consultants with their property claim immediately after a disaster.*

# It pays to hire a public adjuster

Policyholders with public adjuster representation typically received higher settlements than those without public adjusters. The difference in claims with public adjusters resulted in payments that were **747% higher.**
