

DAILY HEALTH CHECK

THE FAST & SAFE WAY TO RETURN TO WORK

SIMPLE TO USE

Employees check-in with their health status before they come to work via mobile app or web.

INSTILL CONFIDENCE

Reassure your employees and customers that your workplace is a safe and healthy place to be.

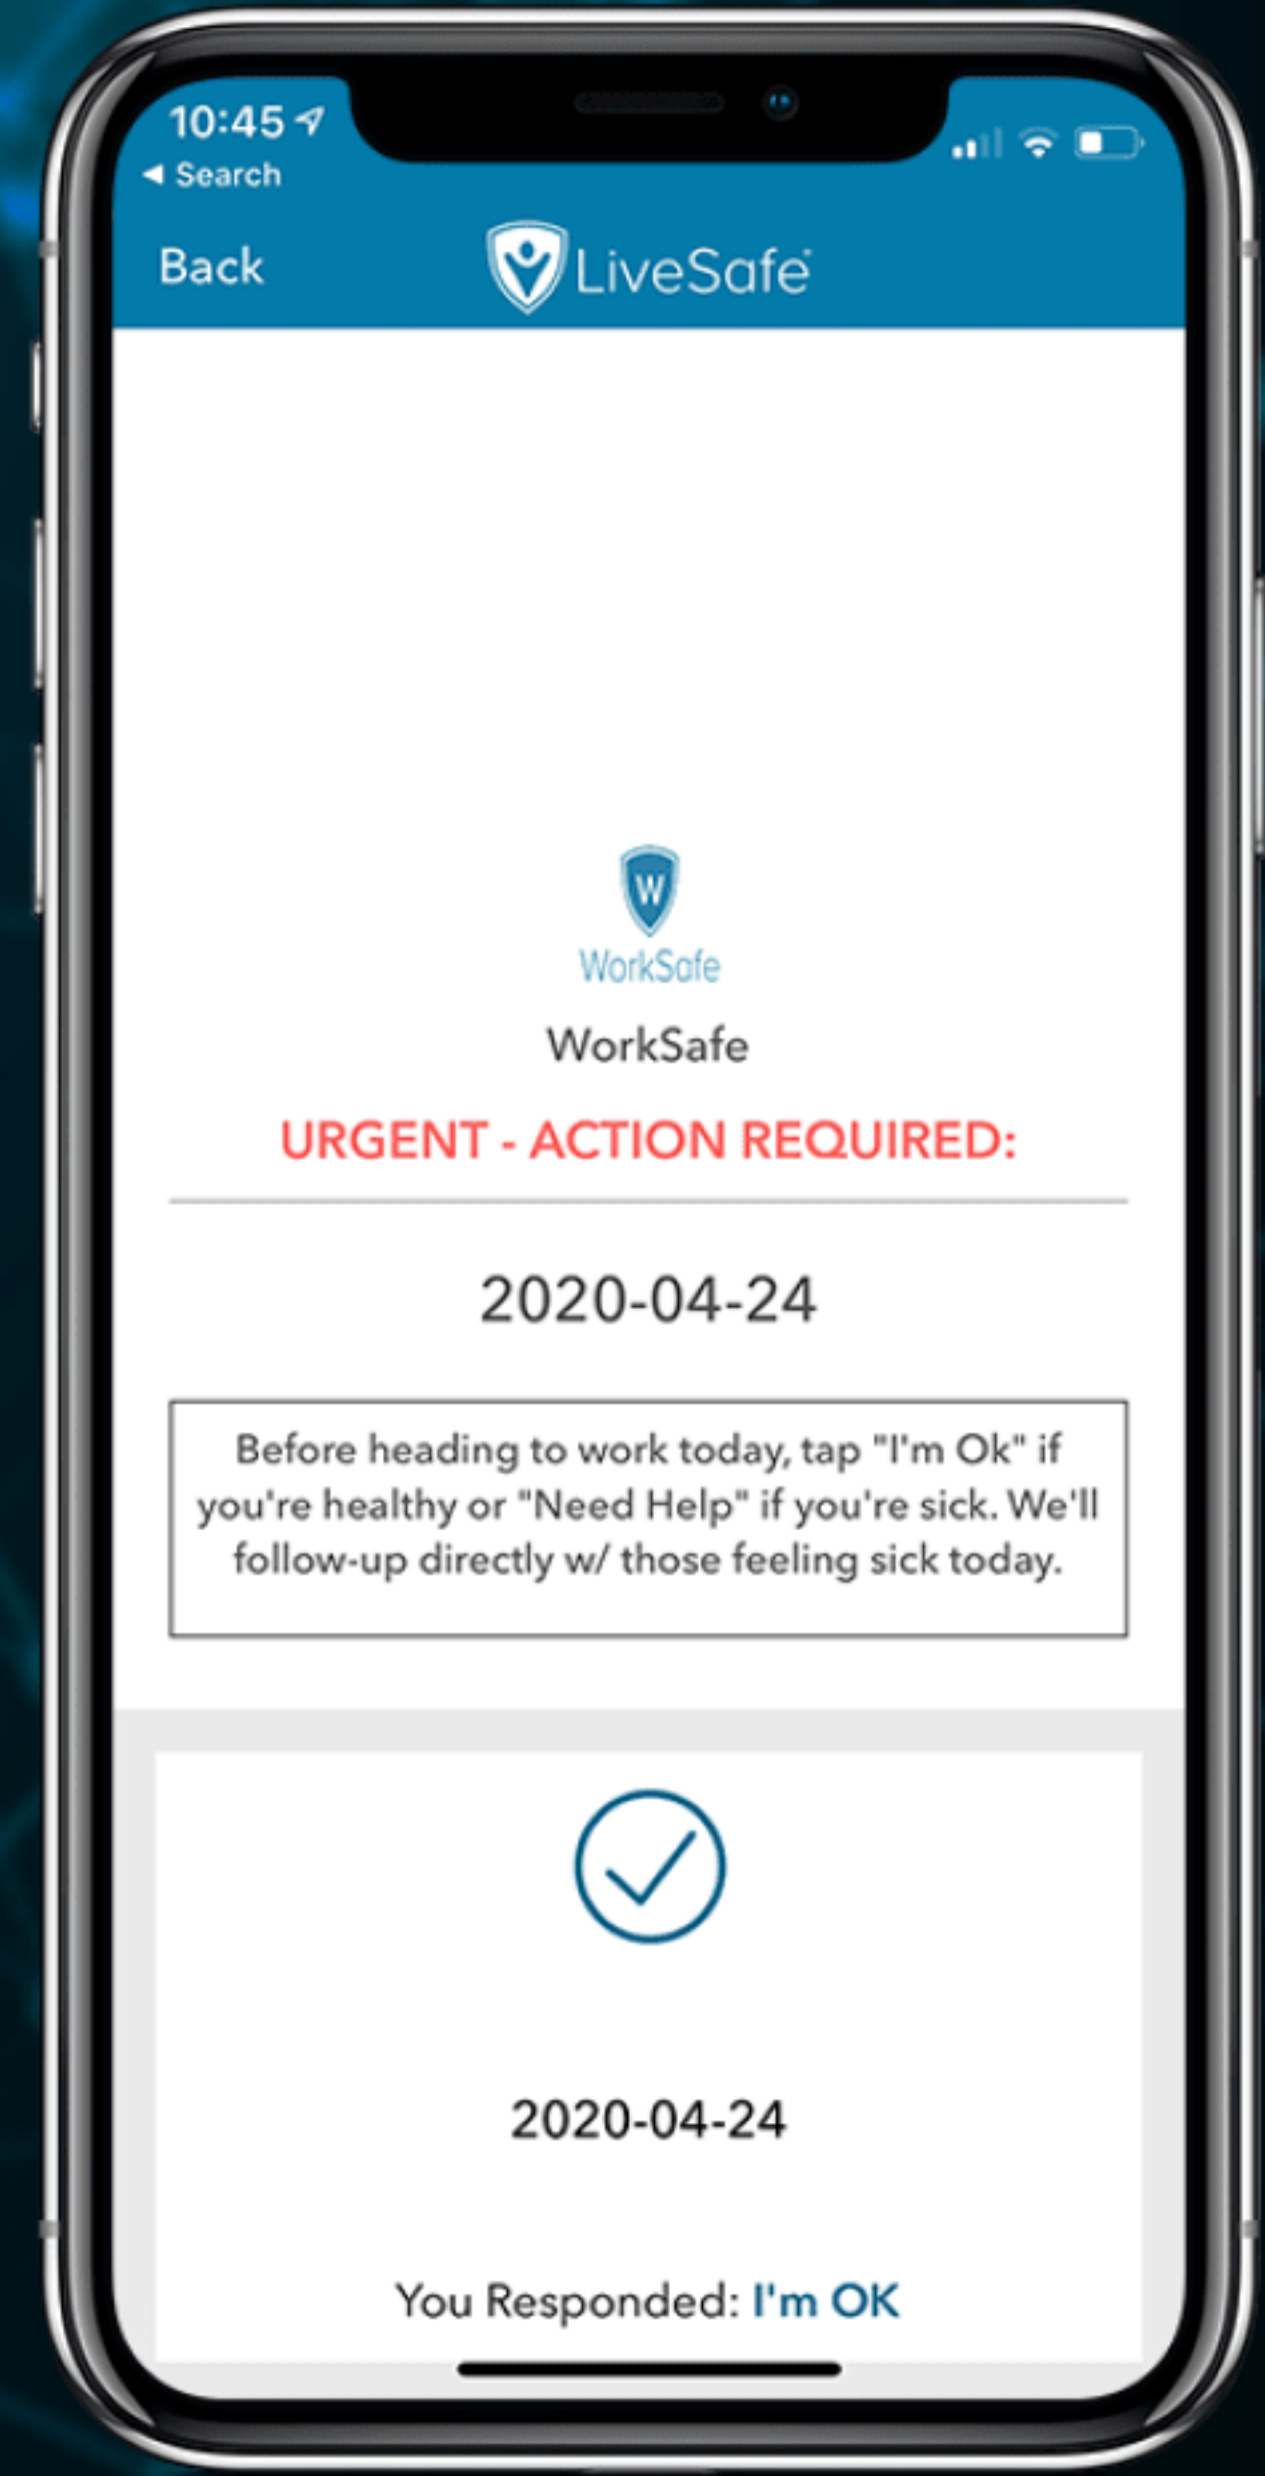

HEALTH SNAPSHOT

Check-ins are routed to the WorkSafe Dashboard for an instant view of who is well and who is feeling ill.

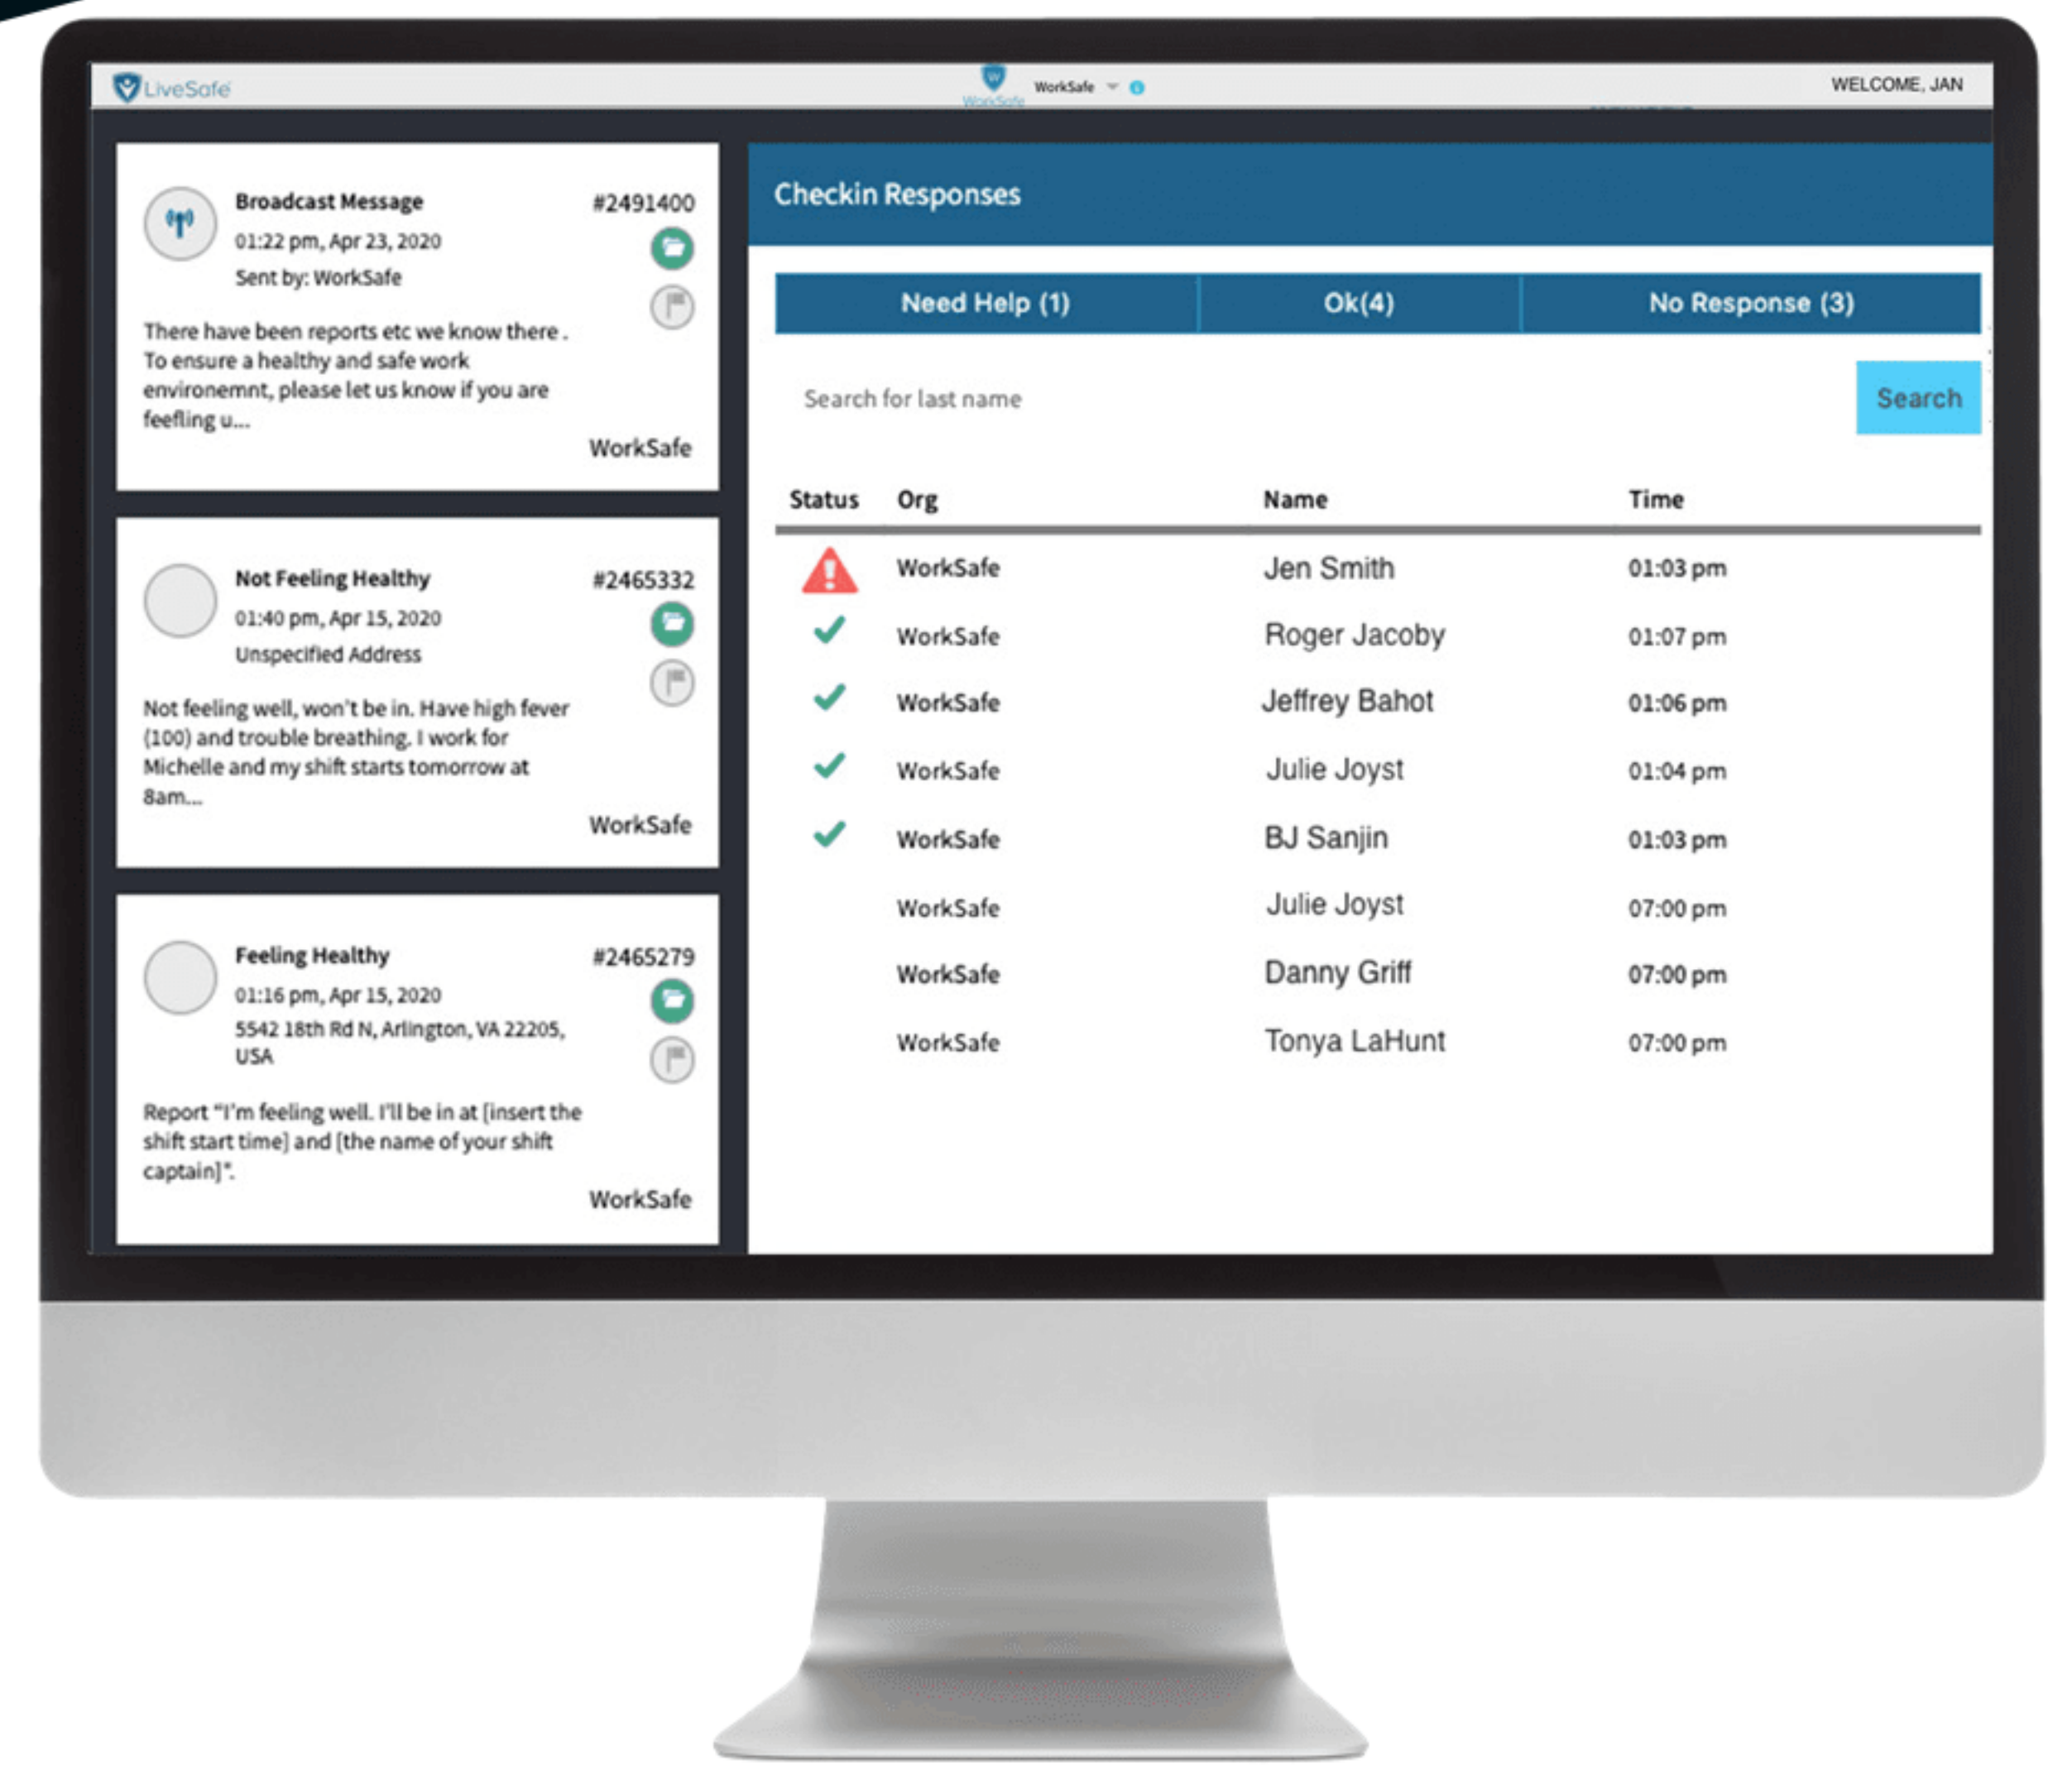

EASY ENGAGEMENT

Pre-made marketing and communications templates and QR codes for employee sign up and broadcast communications.

FAST & EASY

One-touch, proactive employee check-in shows you who is well and who is feeling ill.
