

POWERFUL
TOGETHER.

Layer2
GOLD PARTNER.

FEATURES & BENEFITS

Layer2 is powerful together with its partners – and for its partners. Speaking of partnership, we don't think of a one-way street:

- Layer2 Partner Network for implementation partners, value-added resellers (VARs), and software dealers. 200+ members already and still growing.
- No contract required. Completely cost-free.
- 15% discount on production licenses for Layer2 Silver Partners, 30% discount for Gold Partners.
- To get the maximum discount partners have to promote the partnership and the products, e.g. on their web site, with case studies, or other PR activities.

Brilliant tools, e.g. for replicating local content to SharePoint Online! The assistance I received from Layer2 was outstanding. We are signing up as a partner and deploying to other clients using SharePoint Online.

- Partners can place discounted product orders for their customers using our online shop system. Simply enter your partner coupon code to receive your discounts. Please request the current codes on demand.
- It is completely free of charge for Layer2 Gold Partners to use our solutions internally as NFR edition, for product demo or within the intra-/ extranet or even on the Internet. Partners need to have a minimum sales volume per year for this option.
- Free premium support with high priority and direct access to the product development team.
