Frank Jewelers Debuts Exclusive Jewelry Savings and Contest With \$25,000 Cash Prize for Black Friday Weekend

The jeweler's Crack the Code promotion offers in-store visitors a chance to take home \$25,000 -- a welcome bonus for those planning on doing the bulk of their holiday shopping on Black Friday.

FREEPORT, Illinois, November 9, 2018 (Newswire.com) -

This Black Friday, Frank Jewelers is hosting an irresistible promotion for their customers, with one lucky shopper taking home \$25,000 in cash.

The [Crack the Code promotion](#), which begins on November 23rd and ends December 13th (or whenever a guest takes home the grand prize), invites visitors to try their luck in opening up a safe at the jewelry retailer.

This safe holds the \$25,000 cash prize for the lucky winner of the promotion. The objective is to guess the right 5-digit code on the safe -- the first person to guess correctly wins!

However, there is one caveat for this almost-too-good-to-be-true contest: The Crack the Code event is only open to in-store visitors to Frank Jewelers.

For those who do not take home the prize, there is some consolation; Frank Jewelers will be offering special Black Friday deals on [select jewelry items](#) from their store's [signature collection](#). Find the following discounts at the Freeport-based jeweler during Black Friday weekend:
