LA LA LEAF

LA LA LEAF is a new lifestyle brand that manufactures CBD infused topicals & lotions. Our products are formulated with all-natural ingredients & are 100% Vegan, Paraben Free, Phthalate Free and Gluten Free.

Guayaquil- Hemp Lotion- MSRP \$60- 7OZ - is expertly formulated with 250mg of CBD, and complementing blend of botanicals, that delivers hydration into the skin and reduces inflammation. Guayaquil is the perfect daily moisturizer to keep skin healthy and also acts as an effective addition to your post sun rejuvenation routine.

TRU ATHLETE- Sports Gel- MSRP \$75- 5OML - designed to help pro-athletes and weekend warriors achieve peak performance by aiding in workout recovery. It is expertly formulated with 550mg of CBD and other key botanicals to target pain and inflammation while increasing blood flow. Repair, recover and repeat with TRU ATHLETE.

Formula 1513- Antioxidant Cream- MSRP \$95- 5OML that contains 750mg of CBD which works in conjunction with over 20 botanicals. This combination of ingredients super-charges the formula's healing effect on the skin to promote a youthful appearance and improved texture.

LA LA LIPS- Lip Balm- MSRP \$20- 15g is a potent yet gentle CBD infused lip balm that delivers maximum hydration and stays put throughout the day.

At **LA LA LEAF** we believe in maintaining full transparency with our valued customers, which is why we've added QR codes to the back of all of our packing. Simply scan the code to see an independently verified third-party lab report that confirms each product is free from harmful metals, chemicals and anything you can't pronounce. Each product is also tested to ensure that it has the advertised amount of CBD while being THC Free*(THC Free- measured to 100 parts per million)
