

REIGN- MAKER

communication for leaders

**A COMMUNICATIONS AND PUBLIC POLICY CONSULTANCY AGENCY
EXPERIENCED, RESPONSIVE AND IMPACTFUL**

LEADERSHIP COMMUNICATION

Inspirational, impactful and focused communications is a skill. It needs practice, structure and discipline. We help leaders find their authentic voice and design communication opportunities to enhance it.

SUBSTANCE AND AUTHENTICITY

Large agencies work on volume, borrow your watch to tell you the time and resell the same solutions that they offer your competition. We do not seek to build our brand through yours. Our aim is to foster your capacity, your skills and your impact, not our resume.

SCOTT DAVIES has led the creation, overhaul, development and enhancement of the Communications, Corporate Affairs, Public Affairs and Policy functions for several Fortune 100 corporations in the US, Europe and Asia.

With over 20 years of experience, Davies has worked as Chief Lobbyist in Australia for Pfizer, Divisional Vice President & Global Head of External Communications at Abbott, CCO at Aetna, and Vice President and Global Chief Communications and Policy Officer for Bayer Consumer Health.
