### **WHERE YOUR MONEY GOES...**

Support Sisterz is operated by volunteers and funded through generous donations from our community and proceeds from Combat Cancer Walk and other fundraisers. Because of this, we are able to ensure that funds raised go directly to local women battling breast and gynecological cancers. While our hearts go out to all who have been affected by this devastating disease, our mission is to support women battling breast and gynecological cancers who live or work in Corona, Norco and Eastvale. Last year we were able to contribute over \$25,000 to help survivors with their daily needs and medical expenses.

### **SURVIVOR TESTIMONIAL**

No one is ever prepared to hear the words, “You have cancer”. On March 18th 2019, those were the words I heard. On March 19th I received a call from a perfect stranger offering to guide me through the beginning stages of this horrible diagnosis. Little did I know then that a friendship and sisterhood would blossom from her joining me to a group of amazing women. Support Sisterz got me through the early stages of my diagnosis. Offering invitations to support group meetings, financial assistance with doctor bills, emotional support, navigating my way through the medical system and much more! My family and I can never repay what has been given to us through this amazing organization. Thank you Lynn and Support Sisterz for all you do to make a difference, one Sister at a time.

### **WHY WE WALK...**

Support Sisterz is a nonprofit organization comprised of breast cancer survivors who have a passion to empower women fighting the same battle. We started as friends supporting one another, but soon began reaching out to others. It seemed as if each survivor we met lead us to another, we were overwhelmed by the number of women who needed support. It was then that we realized our true mission to reach survivors on a larger scale, and Combat Cancer Walk was born. In honor of each of our battles with cancer and in memory of those we’ve lost, we hope you’ll join us as we Walk Together to Combat Cancer!

### **SURVIVOR TESTIMONIAL**

When I hear the words Support Sisterz I think of a loving, caring, cancer helping, wonderful group of strong women who are there when I need them emotionally and financially. They’ve given me more than I could ever have hoped for, financially they have helped my son and I with gift cards and help paying my co-pays for

treatments. During our meetings I feel safe talking about my cancer and its side effects. I can be crying or just talking, but all the woman there are walking in my shoes. Maybe I can say something that can help another Support Sister or they can say something that helps me. They are more than a “support group”, They are Sisterz I can call on to help me not only through the cancer, but life in general. I couldn’t imagine where I would be without my Support Sisterz....
