ASSOCIATION

## **American Land Title Association Congratulates President-elect Joe Biden**

**Washington, D.C., Nov. 7, 2020** — The [American Land Title Association](#) congratulates President-elect Joe Biden and Vice President-elect Kamala Harris for winning this historic election where a record number of Americans exercised their civic right to participate in the election process. We look forward to working with this administration and the new Congress on issues that affect mortgage finance and the broader real estate industry. Throughout the COVID-19 pandemic, the housing market has been a key cog in supporting the economy. ALTA and its members look forward to continued bipartisan collaboration in developing policy that provides even more housing opportunities for all people across America and protects the property rights of every consumer nationwide.
