- ✓ SMS Payment Receipt Sent to Your Donor's Mobile Phone

## The process is as simple as:

1. Your donor texts their name and address to the number you publish. You will receive your own branded payment line.
2. They will receive a text response with a telephone number (which we provide) and a unique payment code.
3. They call the number provided in the text message, input the payment code and follow the prompts to enter their donation amount and credit card information.
4. After the call is complete, a donation payment receipt is sent to their mobile phone via a text message.
5. You receive confirmation of each donation (including donor information), which is deposited to your merchant account. This information is provided via email and it's available online.
