Happy holidays! This holiday season, we invite you to be part of our #20Helps: See Your Impact campaign through our easy to use app. We simply encourage you to make a small difference in someone's day by handing them cash. A 20 helps, but any bill will do.

Our app allows you to follow the path your bill takes as it travels from one person to the next, brightening days. So whether it's paying for the guy behind you in line, or just leaving it on a coworker's desk, you can follow your bill on its journey and make your small mark on the universe.
