Created by Dwayne "DC" Coles and Frank Blenman
Directed by Frank Blenman

LOS ANGELES, CA. Dec. 10, 2021– Actress Prentiss Marquis, *makes her on-screen debut as the lead Chase Price in the new Sci-Fi Series thriller "I Am Chase" acquired for distribution by Buffalo 8 and now in production.*

The new Black Sci-Fi coming-of-age series currently in production features Prentiss Marquis as CHASE PRICE an ordinary teen with extraordinary secrets and talents who stands up for the underdog and activates unrealized superpowers. Ivan Moore, *American Rust, Luke Cage, Bull*, plays Chase's overprotective father Col. Price. Rosalind Brown, *When They See Us, The Unbreakable Kimmy Schmidt, Orange is the New Black* as the mother Alyson Price. Her three brothers are portrayed by Edmond Laryea, *FBI, Pose, and Billions* as Richie Price. Andre Blackwell, *Grim, The Sisters Kardos*, Michael Price, and Dwayne Parker, *Vex, Asunder the Series* as Steve Price. Each in their own way help Chase navigate through the burgeoning obstacles and pitfalls that she encounters as a superhuman and superheroine.

Show Creators Frank Blenman, *Trust, 7 Days*, and Dwayne "DC" Coles, *Better Than My Last, Paulie & Jake, The Black Van, Secret Indictment, P.O.M.E.*, created a complex coming-of-age story that depicts the angst of a teen black girl under the close scrutiny of her military family. Prentiss Marquis captures the hopefulness and the frustration of Chase's desire to be an ordinary teenager. Issues arise when the endless hours of discipline and training by her father come to head when Chase is triggered to protect the weak and innocent. The promise of a normal college life and relationships are all upended when Chase is forced to acknowledge that she is different from her peers. Her close-knit family has always been her shield from the truth of her origin and now it will take their combined courage to see her through. Blenman is an amazing director with a unique vision of the world. His skill in creating psychological intensity brings the characters to life and draws the viewer into the emotions of Chase Price.

The series is scheduled for release from in 2022 from veteran producer: Dwayne "DC" Coles the series Lead Producer & Showrunner. As Lead Producer, DC is committed to employing a predominately female BIPOC crew and cast. *"The timing couldn't be more perfect for a character like Chase who embodies strength, she is unapologetically confident and showcases strong values for teen girls to look up to and model, a young girl Hero. Chase is a director and producer's dream character," says Coles,*
