Steamatic, Inc. Announces New Franchise in Idaho Falls

Fort Worth, TX, 11/02/18

Steamatic, Inc., an international leader in restoration and cleaning services is excited to announce the grand opening of a franchise in Idaho Falls, Idaho. The location, Steamatic of Idaho Falls, will service the Midwest area. Steamatic is excited to introduce the new owner, Keith Miller, to the Steamatic family. Before beginning his career in the cleaning industry, he spent 10 years in corporate sales. He started a company, Idaho Carpet Care, 10 years ago while supporting his family and finishing his degree in finance at Idaho State University. Keith had this to say about what led him to Steamatic, "I started out by going door-to-door, selling my cleaning services and, would clean for each new customer myself. After nine years of cleaning carpets and windows and starting the only rug cleaning center in Idaho Falls, my business grew to the point where I was able to get off the truck. I realized I needed something else to continue the growth and that's when I discovered Steamatic Restoration & Cleaning."

Keith recently attended a two-week Steamatic University training at the corporate headquarters in Fort Worth, Texas and has now returned to the Idaho Falls location.

"Steamatic is happy to welcome Keith to the Steamatic family. The conversion is a sign of continued growth for the Steamatic network. Keith and his team have hit the ground running and I know that his customers will be completely satisfied with his work." said Stefan Figley, President of Steamatic, Inc.
