## Purrrle Passion - Jars

Finally, an even more potent strain for your furry little nip-heads! Our Purrrle Passion Meowijuana® Catnip Buds are harvested during the plants' peak oil production, meaning your furry friends are getting a next-level catnip experience! Available in large and small jars.

# Meowijuana®

For cats who need The weed®

- Purr-fect treat
- Stimulates exercise
- Safe and non-addictive

- 100% Organic Catnip
- Hand-trimmed buds
- Growth in the USA

## CATNIP LEAF AND FLAKE 'BOTTLES'

Yet another choice in our line of the best, USA-sourced, 100% natural Meowijuana® Catnip. This is not your garden variety catnip. You can't grow this stuff in your closet with a grow light! In fact, you can't buy catnip of this quality anywhere else. We are your dealer. Cat got your tongue? Wait until your feline gets our catnip! Break out the cat chow because this kitty is going to have the munchies! Smoke...we mean fill...the bowl now! Enjoy your cat enjoying Kalico Kush, Purrple Passion or Meowi-Wau.

## Catnip Spliffs & Blunts

Finally, a freshly-fired spliff or blunt just for the furry friend in your life! This feline fatty comes packed full of our high-grade, organic Meowijuana® Catnip! Makes a GREAT gift to pass to the left paw side! Do you guys feel like you're floating? Each made with 100% hemp fabric, so it's eco AND 420 friendly.

## Catnip Spray

The closest thing to a cat-dab you're going to find! Our Meowijuana® Catnip Spray is sourced from 100% organic essential catnip oil mixed with purified water, so you know you're getting nothing but the most heady, intense catnip experience your furry friend has ever had! Perfect as a gift and for bringing some life back into those old cat toys!

## Kitty Keef

The next evolution in catnip culture is here! We've taken high-potency catnip pollen and pressed it into pellets, encased in a brilliant container and grinder for easy distribution! Top off your kitty's next bowl with this magic catnip dust and watch them blast off!

## Catnibas Meowy J's

A purrfect one-time nip session for your furry friend. These Catnibas® J's are stuffed full of our organic catnip and rolled in RAW® papers. Simply break the J in half, sprinkle the nip and watch your cat roll around in delight! Not for human consumption. (cause duh, why would you smoke catnip?)

## Catnip Bud Grinder

The perfect companion to our high-quality catnip buds, ensuring your cat gets the most fragrant, potent nip trip possible! Works great for human stuff too!

## Siamese Twinge Baggie

Ain't no seeds in this bag, Jack! This fat sack of Siamese Twinge is a munchies-inducing blend of leaf and flake from only the best USA-sourced, 100% natural Meowijuana® Catnip and makes a great gift for your furry little nip-head.
