The Concept

The **Enterprise Business Agility Model** is revolutionizing how organizations are successfully achieving Business Agility within their organizations. If you're a senior leader or change agent actively transforming your organization, the proven **EBA Model** shows you how to enable measurable and sustainable enterprise business agility transformations across all areas of business operations and delivery. This model helps you achieve true business agility, which is **the ability to adapt and change, learn and pivot, deliver at speed, and thrive in a competitive market.**

In our journey to take this strategic offering global, we are very excited to announce our *very first and very unique* **Enterprise Business Agility Strategist Certification Workshop within an African Safari context.**

Join us in this ultimate in-depth workshop where you will discover how to successfully implement the 7-Pillars of the Enterprise Business Agility Model within your organization while experiencing the amazing African safari and learning about leadership, teamwork and most importantly, yourself.

Our inaugural safari is scheduled for 18 to 25 May 2019

Enterprise Business Agility Model

EBA Workshop Details

- This 5-day workshop is intended for senior leaders and change agents who are actively transforming their organisation to learn about the key pillars needed for successful business agility transformations.
- You will walk away with concrete solutions and participate in activities tailored to your specific transformation challenges.
- Transformation leaders will learn how to enable enterprise level business agility transformations including business areas and beyond the technology groups.
- We will spend time exploring each of the seven pillars within the Enterprise Business Agility Model in detail, developing the skills necessary to lead a transformation within each pillar.
- You will receive both of these certifications: Enterprise Business Agility Strategist (EBAS) and ICAgile Certified Professional – Business Agility Foundations (ICP-BAF). | [Watch EBA Overview Video](#)

Your Course Leaders

Your course leader is [Bryan Tew](#)

As an Enterprise Agility Strategist with 17 years of Agile and Lean experience, I have had the privilege of helping many organizations transform to a better way of working. I am a highly dynamic trainer, speaker and leader and am passionate about working with organizations to optimize their processes and people to accelerate their delivery of value and exceed customer expectations.

My unique blend of technical, business, project management, and leadership skills allow me to connect with leaders at all levels, identify the right problems to be solved and implement practical, real-world strategies to help maximize the flow of value delivery. I've led several large-scale transformations and look forward to sharing the patterns, models and best practices to enable you to achieve business agility in your organization.

I am an SPC4, a certified IC Agile instructor and was a key contributor in the development of AgilityHealth and the Enterprise Business Agility Framework and continue to instruct, speak and write about leading Business Agility topics.

I'm so excited to experience this amazing event with you!

Your course leader is Myles Hopkins

I am an experienced enterprise business agility strategist with over 30 years' experience in driving the realisation of strategic initiatives through strategic business and people agility initiatives.

My overall knowledge and experience in organisational strategy, business architecture and human resources ensures that I am able to guide my clients in sustainable Agile implementations through integrating the technical frameworks of Agile into the overall business operating model.

During this period I have been fortunate enough to advise and add value to blue-chip private and public sector clients throughout Africa as well as clients in North America, Europe, Asia, the Middle East and Australia.

I am currently one of the very few people outside of the USA qualified as an Enterprise Business Agility Strategist. I am also one of only a few people in Africa that is a certified SAFe® Program Consultant.

I am looking forward to spending valuable time with you.

The Accommodation

aha Shepherd's Tree Game Lodge is a magnificent 5* lodge within the Pilanesberg Game Reserve.

It lies in an exclusive-use zone in the south-western portion of the 57,250ha Big 5 and malaria-free Reserve, offering commanding views of the distant bushveld amphitheatre.

The Lodge acts as a central gathering spot and social environment for guests, as well as the point from which all activities depart and return. Guests can enjoy two guided game drives daily, which are conducted in the Pilanesberg Game Reserve's Wilderness Area during the morning and evening in an open 10-seater game viewing vehicle. These outings take three to four hours, with a sundowners stop at sunset, and a coffee stop in the morning.

Experience the best of Pilanesberg accommodation with the hallmark of the entire Shepherd's Tree: flawless finishes, featured architecture and exquisite interior design.
