GotUrSix TV is helping us spread the word about the PenFed Foundation Veteran Entrepreneur Investment Program (VEIP). Thank you for having our President & CEO James Schenck on air today!

About 200,000 veterans retire every year, and about a quarter of those people head out to start their own business. VEIP is on a mission to fund those veteran-run start-ups. Learn more at <http://ow.ly/IA4U50htH0w>.
