

PROJECT 2 PAYMENT

Meet Your New Time-Saving Assistant

Simplify projects and streamline payments

Project 2 Payment is an easy-to-use payment tool built to offer contractors a faster and simpler way to create project estimates, send itemized invoices, collect down payments, and get paid faster for completed work. A single tool provides a smooth experience for your customers and allows you to spend less time at a desk and more time in the field.

How it works

 Create Projects	 Email Bids & Invoices	 Accept Payments	 Simplify Reporting
--	--	---	---

With a customizable item library, customer database, and the ability to require project estimate approval or a down payment, Project 2 Payment adds the speed and simplicity you need to streamline your existing business processes.

Pricing

Say goodbye to manual invoice creation, Microsoft Excel spreadsheets, and expensive tools built for enterprise budgets. Meet a tool that's built and priced for hardworking small business owners.

FREE!
Unlimited users for ~~\$20 per month~~

 Cards 2.9% + 30 cents	 eChecks 0.5% + 25 cents
