

Bring Life to Imagination

3D Magic Wand – Brand Introduction

The 3D Magic Wand gives you the freedom to design and create fun and exciting 3D models, no matter what the age. From toys to art or even functional every day household items, the applications are limitless.

Our goal and mission is to deliver 3D printing solutions to consumers that are easy to use and technologically advanced, but with a strong value proposition.

Our vision is to become the most trusted and recognized consumer brand in the global 3D printing industry.

Our products include 3D printing pens, universally compatible filament (also known as Magic Ink) and accessories. We are constantly innovating and introducing new filament that enhance the user experience. We are also an environmentally conscious company. Our 3D pens are shipped with PLA filament, which is plant-based, non-toxic and odourless.
