

Adjustable Forced Air Heater - 120V - Propane - 300 CFM, Up to 60K BTUs - 10' Hose/Regulator - Blue

Part #: GAU-GFA-HH-60K

The Larson Electronics GAU-GFA-HH-60K Adjustable Forced Air Heater is a powerful heating solution for indoor facilities. This propane unit provides 300 CFM of air flow and an adjustable heating range of 40K/50K/60K BTUs. Capable of electronic ignition, the portable heater is mounted on a flat base and comes with a 10-foot hose and regulator.

The GAU-GFA-HH-60K is a forced air heater for indoor locations. Capable of heating spaces up to 1,500 square feet, the unit operates on 120V AC 60 Hz. This compact heater offers adjustable heat output settings at 40,000; 50,000 or 60,000 BTUs and 300 CFM during use. Operators are provided access to a 10' hose and regulator for attachment to the supply valve of the propane tank.

This unit consumes propane at a rate of 1.9 lbs/ 2.3 lbs/2.8 lbs per hour and is capable of a maximum runtime of 10.5 hours @ full tank. Safety features include the following: high temperature shut off, flame out fuel cut and thermocouple. Gas controls are enclosed for protection.

Wiring: The GAU-GFA-HH-60K comes with a power cord for completing electrical connections.

Mount: The GAU-GFA-HH-60K is mounted on a flat base stand with a top-located carrying handle for portability and seamless transportation around the work site. The height of the base can be adjusted for accurate placement of the heater.

Applications: Construction sites, warehouses, commercial spaces, industrial buildings, schools, indoor facilities, barns and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
