San Francisco, CA — [Paymentwall](#) partners with [Wargaming](#), the leading game developer and publisher behind World of Tanks, World of Warplanes, and World of Warships, to allow players to complete a purchase using alternative payment methods, such as Sofort in Germany, iDeal in Netherlands, Poli in Australia, Mercadopago in Brazil, Paysbuy in Thailand, Neosurf in France, and many more.

"We are proud to partner with such a globally successful game company," said Benoit Boisset, COO of Paymentwall. "We will make sure that every player will find the way to pay online, providing the highest conversion rate in every region, whether it's Germany, Indonesia, Brazil or any other country in the world."
